

# Xternal Topical CREAM

## About

Simply put, Xternal CREAM does wonders for the skin. It instantly rejuvenates and brightens complexion while soothing pain and irritation. Apply to desired area and gently massage in. Results occur within minutes.

Xternal Topical CREAM is infused with a full spectrum of Cannabinoids (CBDs) to maximize the relief and healing benefits of Cannabis as nature intended. While the anti-inflammatory and neuro-protective properties of acidic Cannabinoids like THCa are well known, the Cream is also showing impressive outcomes as a beauty aid. Results include skin replenishment, wrinkle reduction and cell regeneration.

## Award Winning Skin Care

Winner of the *Best of 2015 Edibles List Award* for Best Skin Care Line, Xternal Cream is made with natural ingredients beneficial to the skin: *Distilled water, Aloe Vera, CBDs, Sunflower Oil, Jojoba Oil, Meadowfoam Seed Oil, Stearic Acid, Cetyl Alcohol, Emulsifying Wax, Vegetable Glycerin, Palmytic Acid, Tocopherol, Potassium Sorbate, Vitamin C, Citric Acid and Rosemary Oil.* Quickly absorbed, they deliver pain-killing Cannabinoids directly to nerve endings that send pain signals to the brain.

## Safe and Effective Relief without the High

Topicals do not interact with drugs taken orally, with no known side effects or dosing issues. Made with non-activated Cannabinoids, topicals are non-psychoactive and do not cause positive drug test results.
